Automobile Accident -

25X1A

OGC Has Reviewed

25X1C

1. Returned herewith is the complete file pertaining to an automobile accident on November 25, 1950 between [redacted] and a Diamond Taxicab, at the intersection of 10th Street and Missouri Avenue, N. W.

2. A portion of the original file was made available to Mr. [redacted] attorney, who handled the matter on behalf of the Agency. That portion of the file, together with [redacted] notes and receipt for \$100 paid to [redacted] for services rendered is contained in the large manila envelope that is found in the file.

3. [redacted] vehicle involved a 1948 Chevrolet, 4 door sedan. Licence [redacted] was registered in the name of Mr. [redacted] for official purposes. Although [redacted] was cited as defendant owner of the car in the indicated court actions, his only connection was the apparent ownership of the vehicle as evidenced by the D. C. registration.
